

Invest in a company you know

An aerial photograph of a city at sunset. The sun is low on the horizon, casting a warm orange and yellow glow over the scene. A large body of water, likely a lake or bay, is visible on the right side, reflecting the sunset. The city features various buildings, including a prominent one with a red roof and a dome, and a road with cars in the foreground. The overall atmosphere is serene and scenic.

MGE
ENERGY®

A company where investors have found long-term value

MGE Energy is built on the solid financial performance of its primary asset, Madison Gas and Electric Co. (MGE). Standard & Poor's ranks MGE's bond rating the best of all combination gas and electric utilities in the nation. Learn more about the MGE Energy Direct Stock Purchase and Dividend Reinvestment Plan by requesting and reading the prospectus. For investment information:
